

## **TERMS & CONDITIONS FOR ATHLETE ONLINE EVENT ENTRY**

Use of Athletics NI entry system is bound by the following Terms & Conditions.

### **1. Registering Details**

You must be at least 18 years old to enter an event using Athletics NI. You may also use the system for registering your own details and for entering yourself and other team members, friends or family who have granted their permission. If entering a person under 18 years of age you must obtain permission from the parent or legal guardian of the person you are entering. When entering an event we ask for each participant's name, date of birth, gender and for any other details required by the event. When entering events on behalf of other people you must obtain their permission to provide Athletics NI with this data before entering them.

### **2. Receiving Emails**

To register for Athletic NI you must provide a valid email address so we can send you confirmation of your registration and of any entries you make. If you have a spam filter enabled for your email account, please make sure that our domain name of [athleticsni.org](http://athleticsni.org) is set as a valid sender so that these emails do not get blocked.

The email address supplied (and any email addresses given when entering events on behalf of other people) may be used by the Event Organiser to send out information about the events you enter. It may also be used by the Organiser for up to twelve months after the event to send up follow up information about the event and any future events they may organise. After twelve months Event Organisers will only be able to contact you if you have explicitly opted into the Organisers Mailing List.

### **3. Currency of Purchase**

All Transactions will be conducted in pounds sterling. This currency will be stated on the main event page for each event. An invoice will not be supplied with the confirmation of your entry, although a confirmation email will be sent to the registered email address.

### **4. Liability**

Athletics NI and its owners act as an agent for the Event Organisers for the purpose of taking online entries only. Athletics NI shall not be liable for injury to the participant or the conduct, organisation, delivery or operation of the event in any way whatsoever.

### **5. Event Cancellation or Change of Event Date**

If for any reason the event is cancelled or the date has been changed due to Force Majeure, it will be the responsibility of the race organiser to deal with any refunds which may be due.

## **6. Withdrawing Your Entry**

Each event has its own withdrawals policy. If on withdrawal a refund is appropriate, the participant should contact the Event Organisers.

## **7. Data Protection**

The personal data and entry specific information you give will be used by both Athletics NI (as Data Processor) and the Event Organisers (as Data Controller) for the purpose of processing and publishing entries and results. Athletics NI will not pass this data to any third party. Credit and Debit card details are held solely by the Payment Service Provider and are unknown to both Athletics NI and the Event Organisers.

Further information on Athletics NI Data Protection & GDPR can be found here:
